### BOWLINGTOURNAMENTOPENS

MISSOURIS BEAT THE MIDNIGHTS IN THE FIRST GAME.

The Contest Was an Interesting One and the Excellent Scores Were Made by New Teams-Palmer and Wolcott Won.

The big annual bowling tournament of the Kansas City Bowling League is on, and for the fall and winter months the pin knights will keep the alleys warm until the team and individual championships of Kansas City have been decided for the sea-

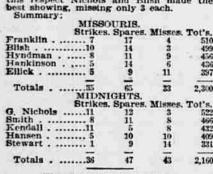

The opening tournament game was bowled last night on the Grand alleys, the two baby teams of the league, the Missouris and the Midnights, being the opposing teams in the initial struggle. After a very creditable game for two new teams, which have had little opportunity for ef-fective practice together, the Missouris won the game by the score of 2.300 to 2,160, taking the lead at the half and never after-wards being headed, gradually drawing away and opening up a gap which the Midnights were unable to close.

The scores were the best ever made in an opening tournament game by new teams, and augur well for the scores which will be made by the more experience teams when the tournament gets fairly under way. Of the ten men who took part in last night's game, only two had ever had any experience in tournament bowling, had any experience in tournament bowling, and, in consequence, most of the bowlers were nervous and not able to bowl up to their true form. After they have bowled a few times in public competitions they will all undoubtedly do better.

The high score last night was made by George Nichols, of the Midnights, who put up the excellent total of 522. He bowled in good form throughout the game, his work being careful and steady. For the Missouris, Captain Franklin was the leader, being the only other bowler to reach the 500 mark, finishing with a total of 510. He had a great chance to make a big score, but his work during the last ten frames was not up to the standard of the first twenty. Blish, of the Missouris, also bowled a good game, with 499 and Smith was second best man for the Midnights with 460. One bowler on each team failed to reach 400. Ellick being the low man of the Misnights, the low man of the game with 321.

The score shows that second ball work

The score shows that second ball work is what counts, for it was in making the spares the Missouris excelled, and this gave them their winning margin. The table shows that they made & spares to 47 for the Midnights, while their misses were only 33 as against 43. Nichols and Kendall led in strikes, with 11 each, while Franklin was high man on spares with 11. Stewart made a new record on missed spares, failing to connect with 14 of them, while in this respect Nichols and Blish made the best showing, missing only 3 each.

The Game This Evening. The second game of the tournament will be bowled this evening on the Grand alleys, when the Stock Yards and Pastimes will meet. The game will doubtless be an in-teresting and well contested one.

IS THERE A BIG DEAL ON?

Von der Horst, of Baltimore, Said to Be Figuring on Buying the New York Team.

Cleveland O., Oct. 12.-An afternoon paper says: Harry Von der Horst, the principal stockholder of the Baltimore Baseball Club, has been in the city since last Wednesday. He came here ostensibly to see the concluding Temple Cup game. But he did not go East with the players or the team. He is the guest of President Frank Robison, of the Cleveland club, and it begins to look as though there is a "hen on" in baseball. Von der Horst is credited with a desire to buy out the New York Easeball Club, of which Andrew Freedman is president. That he has been dickering with the New York president is a cer-tainty. It is thought that his business here is to interest President Frank Robison in

Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper ef-forts—gentle efforts—pleasant efforts rightly directed. There is comfort in the knowledge, that so many forms of sickness are not due to any actual dis-ease, but simply to a constipated condi-tion of the system, which the pleasant family laxative, Syrup of Figs, prompt-ly removes. That is why it is the only remedy with millions of families, and is remedy with millions of lamines, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs on which it acts. It is therefore all important, in order to get its bene-ficial effects, to note when you pureffects, to note when you purchase, that you have the genuine arti-cle, which is manufactured by the California Fig Syrup Co. only and sold by

all reputable druggists.

If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be commended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.

WALCOTT WHIPPED QUINN.

Put Him Out After a Good Battle of Seventeen Rounds-O'Brien Beat Moore.

Maspeth, L. I., Oct. 12 .- The Empire Athletic Club held its second boxing tournament of the season to-night. The first event was a ten-round go at catch weights between Dick O'Brien, of Boston, and Dick Moore, of St. Paul; O'Brien winning in

The second and principal bout of the night was a twenty-round contest at 148 pounds between the colored boxers, Joe Walcott, of Boston, and "Scaldy" Bill Quinn, of Pennsylvania. Walcott had the best of the main event from the start, though Quinn was game and took a world of punishment.

In the seventeenth round Walcott rushed, landing left on body and right and left on face. Bill was sent down three times with right swings, but he managed to come up gamely, and in the most plucky man-ner fought back. His pluck held him up but his strength soon gave out and, after standing more punishment than the ordinary man could bear, Quinn was knocked out by a lefthand swing on the jaw. The time for this round was 2 minutes and 56 seconds. The referee declared Walcott the Two minutes later Quinn walked out of the ring and was congratulated by his admirers for his wonderful work.

PEDLAR PALMER WON EASILY.

He Outpointed Johnny Murphy in Tame Twenty Round Go.

London, Oct. 12 .- "Pedlar Palmer," of England, who holds the title of champior bantam weight of the world, to-night defeated Johnny Murphy, of Boston, in a wenty-round go before the National Sport-

The quarters of the club were crammed to their utmost capacity to-night, many fashionable sports being among the spectators. The opinion amongst Johnny Murphy's friends was very general that he had cut out a tough job for himself, and Palmer was a hot favorite at the odds of 6 to 4 When the pugilists entered the ring it was easy to be seen that both had paid strict attention to training and it was also plain to experts that they were in for long and tedious fight. Palmer meant take no chances, but to win on points. At no stage of the twenty rounds did he attempt a knock-out. He punished the American very little, and, in fact, there was very little bloodshed. Palmer, how

ever, always had the fight in hand and at no stage was Murphy dangerous. The Londoner depended mainly on his left hand. The glove was seldom out of his rival's face and scarcely more than a dozen right-handed cross counters were exchanged. The major portion of these were delivered by Murphy, but he was unable to get near enough to do any damage. Palmer's right-handers were of the lightst possible kind.

The affair was voted very tame, the only redeeming feature being Palmer's cleverness and Murphy's gameness. There was very little applause at the finish, and, in fact, the fight had been so one-sided that it was a relief to see it ended.

Another Fight Proposition.

San Francisco, Oct. 12.-Manager Groom of the National Athletic Club, of this city nas agreed to deposit \$10,000 in the hands of the referee who may be selected for the finish fight between Corbett and Sharkey, for which they signed articles on June 2 last, and has set December 3 as the day for said fight. Dan Lynch, on behalf of Sharkey, accepted the proposition to-night and anxiously waits word from Corbett

### PASSENGER RATES FOR 1897.

WESTERN ASSOCIATION TO MEET IN CHICAGO NEXT THURSDAY.

Prince Hilkoff Passes Through Kansas City-Strike Threatened on the Grand Trunk Road-Decrease in Shipments.

A call has been issued for a special meeting of the Western Passenger Association to be held in Chicago next Thursday. A number of important matters will come before the meeting for consideration. Prominent among them will be the new clergy agreement for 1897, means to prevent the misuse of exchange orders, and excess baggage rates and storage rates will also be considered. The question of divisions and of commission payments will also be taken up and a large number of routine matters will be disposed of. There is no foubt that the roads will leave the issuing of the clergy permits with the association as has been done this year. It has saved them much time and annoyance and considerable money as well.

A proposition has been submitted to the

Western roads which will have the effect of curtailing the privileges of indirect routes. It is proposed that when special round trip tickets at reduced rates are authorized for any meeting the authority to use such rates shall apply only to lines by which single trip tickets are sold regularly at short line rates, unless it is espe-cially provided otherwise.

PRINCE HILKOFF PASSES THROUGH. He Stops Only a Short Time in Kan-

sas City. Topeka, Oct. 12 .- (Special.) Topeka acted as host to a real live prince to-day in the person of the Russian minister of railways, Prince Michael Hilkoff, who is touring America for the purpose of inspecting her transportation systems. The imperial party, consisting of Prince Hilkoff, his son and civil attache, Prince Alexander Hilkoff; his military attache, Colonel Chertkoff, a member of the imperial Russian guard; his private secretary, Mr. Bullshaskoff, and Major Pangborn, of Baltimore, who has charge of his trip, arrived in this city this morning from Pueblo in company with General Manager Frey, of the Santa Fe; Traffic Manager White, superintendent of machinery, John Player, and W. H. Ros-

The prince was especially pleased with the substitution of compressed air for hy-draulic or steam power, which he saw in the Topeka shops. He said it was a revelation to him and that he was going to introduce it into Russia.

Prince Hilkoff and party arrived in Kansas City at 2 o'clock yesterday via the Santa Fe. The prince was standing on the rear end of his private coach as the train backed into the Union depot, where a num-ber of the prominent railroad men were waiting to greet him.

He said he was sorry he couldn't stay in Kansas City longer, for while at San Francisco he had received a message from the czar requesting his presence in St. Peters-burg by November 1. In order to get there on that date it will be necessary for him to make short visits.

MAY LEAD TO A STRIKE. Dissatisfaction Among Employes of the Grand Trunk.

Toronto, Ont., Oct. 12.-There is considerable dissatisfaction among the employes of the Grand Trunk railway, which may terminate in a strike. The men complain they are unjustly treated by the foremen and superintendents, and that their complaints are not listened to. The most serious point is at Stratford, where orders were given on Saturday that the 700 employes there should work but forty-five hours a week, instead of fifty hours, as heretofore. If the employes at Toronto and other centers are placed under a similar regulation, some action will probably be taken by the men to have their wrongs re-

BICYCLES ARE BAGGAGE. A St. Louis Decision of Interest to Missouri Wheelmen.

St. Louis, Oct. 12.-Circuit Judge Russell to-day decided that the Missouri Pacific Railway Company must carry J. R. Bettis' bicycle from Webster Grove to St. Louis and return without charge above the cost of Mr. Bettis' transportation ticket. The case was instituted last April as a test. The railway company filed a mo-tion to quash the alternative writ of man-damus secured, and Judge Russell overruled the motion

Big Fall-Off in Shipments. East bound shipments from Chicago last week were 51,520 tons, against 63,993 for the preceding week and 88,398 for the corre-sponding week of last year.

Superintendents Meet To-morrow. The regular monthly meeting of the Car Service Association and Railway Superintendents will be held at the Coates House

Master Mechanics' Meeting Postponed The meeting of railway master mechan-ies that was to have been held here to-day has been postponed until November 11.

Railroad Notes.

L. W. Wakely, of St. Louis, general passenger and ticket agent of the Burlington was in Kansas City yesterday. E. P. Earling, superintendent of con-struction in the telegraph department of the Milwaukee road, returned yesterday from Denver, where he had been on his wedding trip.

G. M. Sargent, general freight and pas-senger agent of the Santa Fe, Prescott & Phoenix road, left Kansas City yesterday for his home in Prescott, after spending the week here.

B. F. Yoakum, vice president and general manager, and F. D. Russell, general freight agent of the St. Louis & San Francisco road, arrived in Kansas City yes-terday in their private car. They came to look over the ground and give encourage ment to Mr. James Donohue, the new gen-eral agent of the line, who has recently opened an office in the Exchange building

WOMEN AND WOMEN ONLY are most com petent to fully appreciate the purity, sweet-ness, and delicacy of CUTICURA SOAP, and to discover new uses for it daily. To cleanse, purify, and beautify the skin, to allay itch-ing and irritation, to heal chafings, exceriations, and ulcerative weaknesses, nothing so pure, so sweet, so speedily effective as warm baths with CUTICURA SOAP, followed, when necessary, by mild applications of CUTICURA (ointment), the great skin cure.
